- 1.) **Call to Order:** Chairwoman, Laura Rainey
- 2.) Review and Discussion of On-Street parking regulations and rules. (Commission and Council were provided with a DRAFT of this Ordinance for this workshop)

During discussions between Commission and Council, there were several items that came up that need to be tweaked before this can be put into effect. Best if we do this in stages for this to fit within our town. Some items that were mentioned were:

Slavka Marusic stated that there should not be a number on the residents as to how many registered vehicles they are allowed to have, Brian Vaughn agreed with this. Eddie Waits stated that before the County would put in aprons for the residents, maybe they can assist the Town with this, feels if we are going to put something of this nature into law then we need to assist the residents with some help on this before we pass an Ordinance for parking on the streets.

4.) **Adjourn** – Brian Vaughn made a motion to adjourn the meeting, Slavka Marusic 2nd the motion, all were in favor.
